

Loveland Orthopedic Massage Therapy

Minor Treatment Consent Form

Minors are permitted to receive massage services at Loveland Orthopedic Massage Therapy. A parent or legal guardian must be present in completing the Intake Form for the minor and to sign the Policies Form. The parent or legal guardian must be available on the premises for the duration of the massage session.

Guidelines for massage sessions with minors:

- Minors (under age 18) may only receive massage with written consent from parent or guardian.
- The consenting adult, child and therapist will establish goals together for the massage session(s).
- Parent or guardian must remain in the building for the duration of the massage session.
- The parent or guardian is responsible for payment of service.
- The parent or guardian is responsible for determining the safety and appropriateness of massage therapy for the child. I cannot, nor is it legal for me to Diagnose conditions or Prescribe treatments.
- For clients age 15 and under, the parent or guardian must be present in the treatment room. Following the first initial session for clients age 16-17 if both client and parent or guardian are comfortable with child in the treatment room by his or herself while parent remains on premises, please sign here:
